Mandarin Chinese is the most widely spoken language in the world. Learning Mandarin in our globalize society offers the opportunity to gain new knowledge and appreciate Eastern culture.

Chinese Village LLC is committed to providing instruction in Mandarin language and culture with a Christian perspective. By sharing the Chinese cultural heritage, we strive toward enhancing understanding, maintaining harmony, and promoting diversity within the community.

Pre-School language & culture (age 3–5)

This class, with caregiver participation (optional), focuses on the basic Chinese vocabulary such as numbers, colors, shapes, animals, family members, foods, toys, etc. We also do Chinese crafts, games, folk songs and dances. This is a fun and educational environment where children play and learn while developing a keen interest and strong foundation for Chinese language and culture at this critical developmental age.

Kids language & culture (age 6–12)

This class emphasize conversational Language with situational dialogs. Learning to asking and answering simple questions(such as what, who, how, where, how many). Pin Yin and basic Chinese characters are also taught for reading and writing. Through stories, dialogue, movie and songs, children will improve their Chinese skills as long as enjoying the fun learning.
